

PROGRAM

Monday 30th May - USER GROUPS

(Vienna Room, Novotel)

Arbortext and Absolute Data Group are both holding User Groups as a precursor to DefDoc05. The User Groups will provide an overview of any upcoming product releases and announce plans for the year ahead.

9:00am - 12:30pm

Arbortext

1:30pm - 4:30pm

Absolute Data Group

Friday 3rd June - S1000D USER FORUM

(RAAF Williams, Laverton)

The S1000D Australian User Forum will address specific issues that have arisen from the adoption of S1000D as the primary technical publication specification for new Defence platforms.

It is aimed at Defence and Industry personnel who are or will be involved in creating, acquiring or managing technical publications. This event will deliver guidance and clarification to the recently issued Defence Policy on Acquisition and Management of Technical Data (DI(G) LOG 03-2).

*To register for User Groups or S1000D User Forum contact Julie Hurst on (07) 3832 6888 or jhurst@absolutedata.com
Hurry, seats are limited!*
